# *Guidelines for School Picture Day*

**Please read this thoroughly and in its entirety**

## Prior to Picture Day:

- Attached is the price list and order form. Please read it over carefully to choose what you would like to order.
- Please print out a **separate form for each child**.
- For each separate form, place it in its own envelope along with your payment.
- **Please write your child's name and background choice on the outside of the envelope, as envelopes cannot be opened at the school due to COVID-19 restrictions.** If no background choice is written on the envelope, the default background will be blue.
- This year, there will only be 2 background choices in order to keep things running smoothly with all of the new guidelines.
- Send envelope with payment and order form to the school **on Picture Day**, as they will be handed directly to Images Studio that day.

## Pictures at the School:

- **There will be no combs provided this year.** Please keep hair styles simple as nobody will be allowed to fix your child's hair due to social distancing requirements.
- Please make sure your child's form is filled out **in its entirety** in the event that Images Studio needs to contact you about your order.
- If your child is absent on Picture Day, information will be sent home regarding Make-Up Day.
- Class photos will not be done this year due to social distancing requirements.
- Images Studio has assured us that they will be taking every precaution necessary when photographing your child. If you have any questions or concerns, please contact them directly at 860-274-3633

## Pictures at the Studio:

- **For this year only**, you may go to Images Studio **PRIOR** to the school's Picture Day to have your child's picture taken at their studio. Please schedule your appointment ASAP.
- You will still need to print, fill out the form, and bring it with you to the studio along with your payment.
- **Appointments are absolutely necessary for this option.** If you are interested in this, please contact Images Studio directly at 860-274-3633 to schedule your appointment.
