Lester Crawl was the recipient for Enchanted Backpack, with a big thank you to Mrs. Okroi for submitting the application. School items along with student supplies were delivered to a cheering staff. It was like Christmas in August! We can't wait to share with our families.

We hope to be able to share pictures of your children when we return to instruction in person.

Please remember to fill out *Census 2020*.

IMPORTANT NOTICE

The Village of Lansing needs your help! The deadline for responding to the 2020 Census has been moved up to September 30, 2020, and Lansing's response rate is under 75%.

When we all respond, we all benefit. Responding to the Census will insure that your Village receives funding for things like health care, education, emergency services, affordable housing and much more!

Your responses are safe, secure and protected by federal law – and cannot be used against you in any way. Responses are only used to produce statistics and determine federal and state funding for local municipalities.

Responding to the Census is also VERY EASY!
