## RIGHT TO KNOW LETTER

July 31, 2020

Dear Parent(s)/Legal Guardian(s):

Your child attends Schley County Middle/High School, which receives Federal Title I funds to assist students in meeting state achievement standards. At Schley County Middle/High School, we are very proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualifications. These regulations allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. The Schley County School System is a Strategic Waiver School System. Waiver details, along with the Strategic Plan may be viewed on the district website: <http://www.schleyk12.org>

At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's teachers or paraprofessional qualifications please contact the Principal at Schley County Middle/High School at 229-937-0560.

Sincerely,

Mr. Harley Calhoun  
Principal  
Schley County Middle/High School
