APRIL 21, 2016

Lisa Hughes Recognized as Teacher of the Month

Lisa Hughes, third grade teacher at Rice Elementary School, was honored by the Board of Trustees and Administration for being named the Tyler ISD Teacher of the Month for April.

Heroes for Education

Tyler ISD is proud to recognize the Council PTA and campus associations at the elementary, middle and high school levels as Heroes for Education. PTAs help to promote communication between parents, teachers and the community, as well as provide fundraising and volunteer support for various campus programs and events. The Council acts as a level of support for each campus PTA and provides assistance when needed. April is National Volunteer appreciation month and we want to express our gratitude to our PTA's for their continued commitment of excellence to Tyler ISD.
