<p><b>NOTE:</b> The following criteria are subject to change by actions of federal, state, county, or local authorities. Every Friday morning the Reno County Health Team will calculate HPCON and meet with Reno County Superintendents. Individuals must be tested per the measured 2-week period before use of this criteria, and the subsequent opening of schools, can be considered. Should this minimal threshold be met, an inadequate % of population tested (&lt;1.8% pc</p>
