

## Sign up for a Parent Account in Schoology

1. Go to [www.schoology.com](http://www.schoology.com).

2. Click **Sign Up** at the top of the page and choose **Parent**.
3. Enter your **Parent Access Code**. This is a 12-digit code in **xxxx-xxxx-xxxx** format that you receive from one of your child's instructors.
4. Fill out the form with your **PARENT** information (not your child's information).
5. Click **Register** to complete.

**Adding a child to your platform:** You can add additional children to your account using the **Add Child** option.

You can also download and log into the **Schoology App** to your phone or tablet and access your child's information there.

### Notes:

- Parent Access Codes are unique to each student but can be used to make multiple parent accounts.
- If your Parent Access Code does not allow you to register or, if the code does not have 12 digits, please contact your child's instructor or school for more information.
