Jane E. Rogers
Superintendent

Milan Community Schools is pleased to announce that the USDA has approved a nationwide waiver due to the ongoing COVID-19 pandemic allowing ALL students regardless of socioeconomic status, to receive FREE breakfast and lunch at school. We will start this program effective Monday September 14, 2020. According to the USDA, this program will continue until December 18, 2020 or until funding runs out.

Here are a few important reminders:

- Money in accounts will remain in the accounts for the time being. This will help us be prepared when this program ends and breakfast and lunch will no longer be free to everyone.
- Charges incurred prior to September 14 still must be paid. If you are not sure whether or not your child owes money, please look on your EZPay account or contact Food Services.
- This only covers the cost of a full reimbursable meal, which is the meal that is listed on the daily menu. This does not include extras or ala-carte items. Students may still purchase these types of items.

If you have questions, please contact Ginny Shannon, Food Service Director. Her email is ginny.shannon@milan.k12.in.us or phone 812-654-2922. Thank you.
