LARRY COONROD
Elementary Principal

Parents,

This afternoon, the administration of Pioneer High School was notified of our first positive student case of Covid-19. As directed by school board policy, we are notifying all parents as a courtesy. The Garfield County Health Department is aware of the situation and will begin contact tracing, if any, at their discretion.

Thankfully, all secondary students were not in attendance last week and we also had a long holiday weekend, thus keeping students from being on campus as a group. We can confirm that this student was not in attendance any day this week as well. However, the school will continue to be vigilant and will sanitize and disinfect all potential areas of spread as called for in school policy.

Pioneer Pleasant Vale Public Schools strives to stay proactive in maintaining the safety of our students and staff and will continue to follow the guidance of the Garfield County Health Department.

Pioneer Pleasant Vale Schools wants to do our part to keep open lines of communication with you as parents and as a community as we move through this together. We will do our best to inform you of new cases as they are confirmed. At this time school will continue on our regular schedule.
