INTRODUCTION

CHROMEBOOK PAYMENT

Payment can be made by cash or check. Checks should be made payable to “Lebanon Public Schools”. Unfortunately, the schools cannot accept credit cards at this time. Payment should be brought to the main office of the participating school.

BENEFIT OF A SELF-INSURED DISTRICT

For the past two years, Lebanon Public Schools has opted to outsource its insurance policies on district devices. This has yielded high wait times from the company, and thus more time a student has to borrow a loaner. Although the cost of the insurance is \$3 higher than previous years, students will see repairs within days as opposed to waiting weeks for an outside company to repair and send back the district-issued devices. This is achieved by our IT staff performing the repairs.

UNINSURED COSTS

If you and your student choose to not purchase insurance, you are still obligated to pay for repairs in the event damage is caused to the district-issued device when the student is at fault. Below are the costs associated with the most frequent repairs.

Chromebook Part	Associated Cost
