FAQ
Frequently Asked Questions
Cassadaga Valley Middle High School

How will students arrive at school?
Students are to wear appropriate facial coverings/masks at all times while on the school bus and follow all rules/expectations as set forth by the bus driver. Buses will be unloaded individually at the front entrance as they arrive at the Middle High School. Students are to maintain a safe social distance of six feet apart while entering the building. Students will be given a temperature check at the scanning kiosk upon entry.

Student drivers and those students being dropped off or picked up will use the gym entrance at the back of the main building. Students can enter the building at 7:25am. Students arriving at this entrance will also be given a temperature check at the scanning kiosk upon entering the building.

Hybrid schedule - traffic flow for student drivers and parent drop-off/pick-up

Any student having a temperature above 100 degrees or displaying flu-like symptoms will immediately be escorted to the isolation room to await further examination by the school nurse.
Do students have to wear facial coverings/masks while at school?
Students are expected to wear appropriate facial coverings/masks at all times throughout the school building. If students are appropriately socially distanced from one another in the classroom and are granted permission from a teacher, students may temporarily remove facial masks for a limited period of time. Students may also remove facial coverings/masks while seated in the cafeteria. However, facial masks should be worn while waiting in the serving lines or taking up trays. If a student forgets his or her facial covering/mask, one will be provided. Students should remember the phrase, “If you are walking, you are wearing a mask”.

Where do students go once they arrive at school in the morning?
After the temperature scan upon entry, all students are to go to the cafeteria or the gymnasium to wait for the homeroom period to begin. Students eating breakfast must maintain safe social distancing of six feet at all times, both while waiting in the serving lines and while seated in the cafeteria. Students must remain in their respective seats in the cafeteria until permission is granted to take up trays or exit.

Will students be able to use hallway lockers?
Lockers will NOT be assigned to students at this time. Students may temporarily use and carry backpacks from class to class.

Will students be changing clothes for PE/Gym classes?
Students will NOT have access to locker rooms at this time. With this, they should plan to dress according to the weather as students may be going outside whenever possible. If needed, students may change footwear, such as sneakers or athletic shoes.

If students have forgotten something, how can a family member bring it to them?
Parents, guardians, and visitors are currently restricted from entering the building beyond the foyer adjacent to the main office. If possible, please call the main office to make arrangements to drop off items and the office staff will greet you outside the building or inside the foyer.
