**Re: Testing at Upland Hills**

Greetings Barneveld Families,

We understand that there are concerns with regard to the sudden closing of the school due to a confirmed positive case of COVID-19. We are currently working with staff and the Iowa County Health Department as part of the investigative process related to contact tracing. We will continue to provide you with information and updates in a timely manner.

This information was brought to our attention yesterday and we have protocols in place to address these types of situations. Your patience and understanding are greatly appreciated!

**We have been asked by Upland Hills to relay the following information:**

Due to the volume of individuals being tested, please call their hotline to set an appointment if you feel the need to do so.

(608) 930-8000 and ask for COVID hotline.

Additional information will be provided in the coming days as to when we will be able to return to school safely. This process will take two to three days to complete. Thank you again for your continued support and if you have any questions, please feel free to contact us.

Sincerely,

Joseph Price,  
Superintendent
