September 14, 2021

We are excited to share that beginning today, Monday September 14th, Calamus Wheatland Community School District was approved to participate in the USDA's Summer Food Service Program (SFSP). All CWCS students (or children living in the school district - ages 1 to 18) will be eligible for FREE meals under the Summer Food Service Program (SFSP). This program will end on December 31, 2020, or when funds are depleted, whichever is first.

When the program ends, meals will be served under the School Breakfast Program (SBP) and National School Lunch Program (NSLP) again. At that time, your student(s) meal account will be charged according to their eligibility (Free/Reduced/Full Paid).

Ala-carte items (extra milk or milk for lunch brought from home, extra entrees, elementary snacks, single purchase items), are not eligible for free meal status and your account will be charged.

If you have been paying for school meals and feel you may qualify for Free or Reduced priced meals, please complete and return a meal application (available from either building upon request). If you filled out an application last year but have not completed one for this year yet, please do so at your earliest convenience. If we do not receive a 2020-21 meal application, your student(s) meal status will be changed to Full Paid when this program ends.

Calamus Wheatland Community School District will be offering free meals to all children ages 1 to 18.

In-person students will be served meals at the school buildings.

Children/students that are not present within the school buildings will need to pick up meals at the Calamus or Wheatland location. Meals will begin to be distributed for those students on Monday, September 21<sup>st</sup> and each Monday and Wednesday thereafter, on days when school is in session. Meals shall be picked up from 10am – 10:30am.

The USDA highly encourages families to continue to fill out free and reduced meal applications.

Children/students that are not present within the school buildings (Remote learning students) must notify the school (563-246-2222) each Thursday by 2:00p.m. for the next week's pick up. Meals must be picked up between 10am-10:30am Mondays and Wednesdays, on days when school is in session. Families may pick up meals for all children/students at one location.

Pick Up Locations:
