Subject: Important Message: Tropical Storm Sally

Message: Discovery Families,

Discovery School leaders are closely monitoring the events associated with Tropical Storm Sally. The New Orleans area could experience severe weather on Monday evening and Tuesday of this week. At this time, we are preparing our campuses for potential wind and rain events.

Monday, September 14th - BLUE

MS/HS (5h-12th grades)

- Discovery students (**BLUE**) will participate in synchronous online learning as scheduled.
- Discovery students (**GREEN**) will participate in asynchronous online learning as scheduled.
- No students on campus.

K-4th (OnCampus Pivot and Discovery Online 2020)

- All Discovery K-4 students will participate in synchronous online learning as scheduled.
- No students on campus.

Tuesday, September 15th - GREEN

K-12th

- Due to the potential impact of the storm in the Gulf, synchronous and asynchronous online learning will not be provided on Tuesday.
- All classes cancelled; no students on campus.

Wednesday, September 16th - BLUE

K-12th

- All Discovery students will participate in asynchronous online learning (**BLUE & GREEN**)
- No students on campus.

Thursday, September 17th - GREEN

MS/HS (5th-12th grades)

- Discovery students (**GREEN**) will participate in synchronous online learning as scheduled.
- Discovery students (**BLUE**) will participate in asynchronous online learning as scheduled.
- High needs students will report to their assigned campus.

K-4th (OnCampus Pivot and Discovery Online 2020)

- All Discovery K-4 students will participate in synchronous online learning through OnCourse Classroom and Google Meets.

- High needs students will report to their assigned campus.

Friday, September 18th - BLUE Day, but all students asynchronous

K-12th

- Faculty Professional Development Day
- Asynchronous online learning for all students (**BLUE & GREEN**)
- No students on campus

Please look for direction from your child's classroom teacher and check OnCourse Classroom for all asynchronous class resources and assignments.

Please direct specific questions to your teacher and principal. Facebook questions will not be posted or answered during storm preparations/closure.

Discovery School Leaders will stay aware of local weather conditions and will notify you if any other changes need to be made. Thank you for your attention to this message. Stay safe and healthy. Thank you for trusting your child's education to Discovery Schools and for your cooperation during this most unusual year.

Stay Weather Alert, Safe & Dry.

With a Tropical HEART,
Dr. Glaser, Ms. Preen, & Admin Team
