

## Daily Announcements

### September 14, 2020

Good morning Mustangs!

Students interested in Student Council will have an opportunity to apply today. Applications will be on agendas in ELA classes. All applications will need to be submitted by Thursday, September 17th and will be announced once approved. Please see Mr. Mager or Ms. Bailey with any questions.

**Students:** If you have lost your mask during lunch or recess, please check the bulletin boards in the lunchroom. Masks that are found will be hanging there. **DO NOT TAKE masks that do not belong to you.**

**Cross Country News:** The boys and girls cross country teams both came out victorious at the Meridian Invitational on Saturday against Bullock Creek, Pinconning and Chesaning. Logan Brawt won the boys race with a season best time of 12:25. Halen McLaughlin took second overall with a time of 14:26. A HUGE shout out goes to Keegan Shephard, Brady Douglas and Avery Crego who have all dropped 5 minutes on their times in the first 3 meets. Hard work pays off. Great work to all of our runners! The Mustangs host Freeland, Birch Run, Standish and Gladwin this Saturday at 9 am.

Have a great day, Mustangs.

Please stand for the Pledge
