Parents and/or Guardians:

I was notified that the USDA's Food and Nutrition Service (FNS) is extending Adams Central Community School Corporation's waiver for the Seamless Summer Option (SSO) through the end of 2020 or until available funding runs out.

Beginning on Monday, September 14, students enrolled at Adams Central will be eligible to receive free lunch and breakfast. Students will continue to be charged for a la carte selections as well as for additional lunch trays. The free food waiver will provide students with one regular lunch and one regular breakfast for each scheduled day of school.

The term "enrolled students" will include virtual enrollments, students enrolled in preschool, and all kindergarten through twelfth grade students. Families with students enrolled in an Adams Central virtual program will receive an email with instructions on how to place lunch orders as well as lunch pick-up locations and times.

On behalf of students and staff at Adams Central and school board of trustees, I would like to express our sincere appreciation toward the Adams Central food service staff and Food Service Director Ms. Michelle Barger for pursuing this opportunity for our community.

Thank you,

Mr. Mahaffey  
Superintendent
