How to Find Your Semester Average on HAC:

Step 1: Click on Classes at the top.

Step 2: Click on All Runs in the drop down menu at the top left.

	/	
		Print Classwork Collapse All Full View
View Classwork for Report Card Run (All Runs)	·	Refresh View
Show (All Classes) Order by Class	s ▼	

Step 3: Click on Refresh View at the top right (wait for it to refresh before Step 4).

		Print Classwork Collapse All Full View
View Classwork for Report Card Run (All Runs)	-	Refresh View
Show (All Classes) Order by Class	•	

Step 4: Click on Full View at the top right, right above Refresh View.

		Print Classwork Collapse All Full View
		THIR OLDSWICK CONDUCTION THE PROPERTY OF THE P
View Classwork for Report Card Run (All Runs)	· .	Refresh View
Show (All Classes) Order by Class	•	

Now you will see all assignments for all classes listed in order by date (newest to oldest). It will include both semesters. At the bottom of each class, there is a box that looks like the one pictured below. It has the total grade at the bottom where it says "Course overall"

average is."

Course overall average is:
