

Lima Central Catholic - LRO Acknowledgment Agreement

We, the undersigned parent(s) and Lima Central Catholic student, agree to the following rules and regulations as it pertains to the Live Remote Option (LRO):

I _____ am opting to have my student _____ begin using LCC's Live Remote Option.

~We understand that our student will attend class virtually at their assigned class time. If for example, your student has Theology 3rd period, they will log in through Google Meet and be EXPECTED to attend class by 9:42, when that period begins. For this reason, it is imperative that devices be fully charged and that they have access to the Internet. Internet problems or other technical issues will be considered unexcused, and tardies will also be issued if the student is not present on time. The teacher will NOT BE expected to start class late virtually.

~ We understand that our student will be expected to participate and engage in class as they normally would. All school rules apply in the LRO environment, including but not limited to attendance, behavior and academic misconduct. If a student is unable to participate remotely because of sickness, the parent must call the school office to report the absence.

~ We understand that each teacher will attempt to provide the same experience in live time, but they may need to assign additional work to gauge participation/understanding if the student is unable to participate in an equitable manner. Therefore, there could be times when our student can not fully engage remotely, so the teacher may assign work specific to LRO students.

~ We understand that classes may be recorded through Google Meet.

~ We understand that students are able to participate in athletic and extracurricular activities.

~ We understand that some class assessments are given at 3:30 on Wednesday afternoons, and the expectation is that we take our assessments during that time unless other arrangements have been made.

~ We understand that the LCC Administration reserves the right to make all final decisions regarding our on-line learning rules and regulations.
