

## Construction Update: Week ending September 22, 2017:

In spite of intermittent heavy rains this week, structural steel work is steadily progressing at the Media Center. Work on foundations and footings is on-going, and work on electrical conduits and underground plumbing continues to move forward.

On-going structural steel work at the Media Center.

Foundations and footings at 5/6 classroom wing.

Installation of underground plumbing at the Athletics Hall locker rooms and restrooms.
