

## Marysville School District Graphing Calculator Rental Agreement

Student Name (please print) \_\_\_\_\_

I have rented a TI-84 graphing calculator with one set of batteries for a **\$10.00 non-refundable rental fee** from the Marysville-Pilchuck High School Mathematics Department. I will return the calculator, at the end of the school year in the same condition I received it in, or I will be responsible for payment to replace or repair it. This fine will be in addition to the **\$10.00** rental fee.

### **FINES**

If the calculator is not returned, or is returned in non-working order a fine of **\$80.00** will be assessed. If the calculator is returned in working order, but needs some cleaning (i.e. the buttons stick due to spillage, etc.) you will be fined a **\$25.00** cleaning fee. If the calculator must be sent out to be cleaned/repaired, you will be charged a **\$50.00** refurbishing fee.

To Receive your calculator:

- Pay \$10.00 at the cashier's office or pay online at <https://wa-marysville.intouchrecepting.com/> using your parent/guardian skyward login and password.
- Make sure this sheet is signed by both the student and a parent/guardian and your name is clearly printed at the top.
- Bring this signed sheet and receipt to the library.
