JNPSD School Community:

Please continue to stay informed through all of our postings on JNP social media, JNP website, local media, and other communication outlets. All community updates, official documents, and other information posted since March 6 is available for your reference.

1. Please refer to the following website for updated state health information regarding COVID and other health-related topics: [healthy.arkansas.gov](http://healthy.arkansas.gov)
2. Parents: You will be contacted by school staff designated to handle COVID calls if your child is a close contact to a person testing positive for COVID. Your child will be required to quarantine per state health directives. If you are not contacted, then that means your child is not impacted and will not quarantine.
3. If you have questions about the meal delivery routes, please email Clint Walker at [cwalker@jnpsd.org](mailto:cwalker@jnpsd.org). Mr. Walker is the Director of Child Nutrition for JNPSD.
4. Augenblick, Palaich and Associates (APA) is conducting a school finance study for the Arkansas House and Senate Education Committees. The Committees and APA believe that incorporating the perspective of educators and the community in Arkansas is essential to the study.

Educators, families and community members are invited to participate in an online survey to gather feedback on education funding and other education issues in the state.

The survey is open to all educators and the public until Friday, September 18th, and can be found at the following link: [apasurvey.link/arkfeedback](https://apasurvey.link/arkfeedback)

Thank you for your support of JNPSD.

Respectfully,

A handwritten signature in black ink, appearing to read 'Bryan Duffie'.

Bryan Duffie, Ed.D.  
Superintendent
