As of July 1, 2020, the United States Department of Agriculture (USDA), is allowing the following waivers to support access to nutritious meals while minimizing potential exposure in a school setting. These waivers are allowed for implementation during the traditional school calendar approved in the Agreement for the 2020-2021 school year. This form allows waivers in the following programs: School Breakfast Program (SBP), National School Lunch Program (NSLP).

Checking yes below will opt the entire SFA into each waiver whether they administer them now or in the future.

- * these waivers apply when school is in session under the traditional school calendar; and
- * in the event that the SFA goes into an Unanticipated School Closure, CNU must be contacted immediately for further instruction.
