

## 2020-21 District Goals

1. Utilize data analysis and visualization tools to track district progress and develop programs to address curriculum areas and students needing additional support.
2. Recruitment and retention of a highly-qualified, diverse staff.
3. Increase the integration of technology into the classroom and facilitate equity in the area of remote learning.
4. Create a plan for “on ramps” to allow in-district students to qualify for academies.
5. Study and report on mental health in the schools and develop programs to address areas of need.
