DEPARTMENT OF HEALTH (DOH) GUIDANCE WHEN COVID-19 ACTIVITY IS:

HIGH (>75 cases/100K/14days) - strongly
recommend remote learning, option for limited
in-person in small groups for the highest need
students

MODERATE (25-75 cases/100K/14days) -
remote learning, consider in-person learning
for K-5, consider adding hybrid learning for 6-8
or 9-12 if limited COVID transmission occurs in
schools.

LOW (<25 cases/100K/14days) - full in-person
learning for K-5 and hybrid learning for 6-12.
Over time and if physical space allows, consider
full in-person learning for 6-12.
