

SUPERIOR CENTRAL ONLINE ACADEMY

Dear Superior Central Online Academy Students and Parents,

Welcome to this new endeavor at Superior Central. We appreciate you continuing your education through Superior Central in the unique way. As you know, we have partnered with Edgenuity to offer curriculum to our online students. This is our first time working with Edgenuity, so please be patient with us as we work out any potential kinks.

All Kindergarten through 5th grade students will access their course from the following website.

<https://sislogin.edgenuity.com/> **(SIS)**

All Kindergarten through 5th grade students have a teacher on the other end of the computer through Edgenuity. Our Superior Central teachers are also set up as “mentors” on every account and will be checking in with you as well.

6th through 12th grade students may have 2 login portals depending on the courses that they are taking. Some courses are only offered through Edgenuity if you use their teachers. We felt like this would give our students more opportunities to take courses they are interested in. Students taking courses with an Edgenuity teacher will also have a Superior Central “mentor” teacher assigned to you and will be checking in with you as well.

If you look at your schedule and have only a Superior Central teacher listed by your course, you will log into the website below to access those particular courses.

<https://auth.edgenuity.com/Login/Login/Student> **(LMS)**

If you look at your schedule and it says “Edgenuity Teacher” next to the course you will login to those courses as the website below.

I know this might sound confusing at first, but after a couple days I’m sure you’ll get the hang of it. If you have any questions, please do not hesitate to contact me.

Sincerely,

Bill Valima
Superintendent/K-12 Principal
