Fayetteville-Perry Parent/Guardian,

We hope you are healthy and safe during this time. The purpose of this communication is to inform you that as students have now been permitted to return to attendance at school, the Board of Education will be returning to in-person meetings. However, due to continuing concerns regarding the coronavirus, the Board of Education will be limiting occupancy at meetings to ten persons at a time. A resolution to rescind the suspension of the Board's public participation policy will be presented to the Board for consideration and approval at its next meeting on September 17<sup>th</sup>, 2020 at 6 p.m. Assuming said resolution is approved, the policy will be reinstated subject to the following health and safety restrictions: Only one public participant will be permitted to enter the meeting room at a time. In accordance with the public participation policy, comments will be limited to 3 minutes in duration. The Board welcomes your input and participation in its meetings. Stay safe and go Rockets!
