Re: Masks Required at ALL Indoor Events

Greetings Lennox School District Families,

I want to thank everyone specifically for your ongoing cooperation in following the school board's policy regarding attendance at school events. As a reminder, masks are required for attendance at ALL indoor events. A simple revision to the Return to Activities plan was approved at the September board meeting which requires students sitting in the student section at football games to wear a mask. A link to the revised plan is below. As of today, we will continue to operate under Phase 2 Level 1 of our activities plan. When we travel for activities, please respectfully adhere to the host district's policies.

The Lennox School District is providing FREE access to all events streamed in the Lennox High School Gymnasium and at the Sinning Sport Complex on the NFHS Network for the 2020-21 school year <https://www.nfhsnetwork.com/schools/Lennox-high-school-Lennox-sd>. We will soon offer this service for events at the LWC Intermediate Gymnasium. If you are unable to attend an event live or you are unable to adhere to the school board's policy regarding masks, please utilize this free service. We are doing our best to ensure our students get to participate in a full season and keep spectator attendance open as much as possible. Your continued cooperation will help us accomplish these goals.
