

**LATHROP R-II
FALL ACTIVITY SPECTATOR INFORMATION
2020/2021**

Lathrop R-II School, community members, and visiting fans,

We are excited for School to begin and for Fall activities to get started here at Lathrop. It is our goal to keep our students, staff, and community safe while also being able to enjoy all the athletics and activities that are offered at LHS.

As of today, August 25, 2020, our plan is to **allow all fans to watch our fall home athletic contests.** This decision is subject to change, based upon guidance we receive from our local Health Department. Please understand we do not have control over what surrounding schools choose to do for their home contests. Our athletic department will communicate with each school about their rules and let you know as soon as possible prior to a contest.
