Dear Calamus-Wheatland Community School District,

As we are about to wrap up our 4th week of the 2020-2021 school year, I would like to take a moment to share some information and say thank you. Our current numbers district wide: 0% students who have tested positive for COVID-19, less than 4% of our adult staff have tested positive for COVID-19. We have had students who have needed to quarantine or have chosen to self-quarantine. Our District attendance rate for the last two weeks counting COVID-19 related absences and all other absences was 96%. It has definitely been an interesting start to the 2020-2021 school year. I want to thank our students, staff, parents and district patrons for your hard work, patience and support. It is a pleasure to work in a district that values education.

Sincerely,

Lonnie Luepker
Superintendent
