

"The Powers Lake Schools seek to challenge and encourage all students to become lifelong learners and effective decision makers."

Show your Rancher and Outlaw pride! Support our PLHS Scholars!

We will be doing the "Home Game Sponsor" at the games again this year. To do this, you would make a donation to Powers Lake Dollars for Scholars based on the scores of the home varsity games. Anybody can be a sponsor. There may be multiple sponsors per game. Names of sponsors will be announced at the games, listed in the programs, in the Rancher Report, and displayed at the school. Your total donation will be announced at half time during the game. Donations can be dropped in the Powers Lake Dollars for Scholars mailbox at the school or brought to Liberty State Bank.

We hope you will join us in our efforts to support our students! Here are the sponsors that we have had for our first three games:

On Aug. 21 at our football game vs. MLS, each of these sponsors donated \$50; The Country Store, Holter Farms, Nick & Teddi Fredrickson, Jeff & Aaron Parslow, Jason & Anna Nordloef, Fiesel Law PC, and Wayne Frisbie.

On Sept. 1 at our volleyball game vs. Trinity Christian, each of these sponsors donated \$44; Liberty State Bank, Griesbach Construction, Dale & Rikki Sundley, Nick & Teddi Fredrickson, and DeBock Harvesting.

On Sept. 3 at our volleyball game vs. Divide County, each of these sponsors donated \$46; Fiesel Law PC, Jane Paulson, Bet's Construction, and Wayne Frisbie.

"A book is a gift you can open again and again"

Each month we receive the Scholastic Book Club fliers to send home for students to share with their families and purchase books if they would like. Sadly, not all of our students get to order new books on a regular basis. How cool would it be if ALL of our students could receive one free book every month?

We did this last year and it was a huge success! The kids loved getting their books each month. Since it was such a hit last year, we want to continue the program and we are so thankful for such a wonderful community that supported it!

If we order the \$1 books each month, that's only \$9 per child. We are looking for people who are interested in "sponsoring" a child in our school. We need a total of 99 sponsors, we will start with Kindergarten and work our way up to 5th grade!

If you are interested in helping out with this project, you can contact the school office. It is \$9 to sponsor one child and you can sponsor more than one child if you wish. Please pay with cash or write a check to Powers Lake School. Thank you so much for adding joy and a love of reading for our students!
