UPDATES

September 17, 2020

Parents/Guardians,

As we continue to update and make revisions to our reopening plans, we would like to invite you to be a part of the process by joining our new **WES Parent Advisory Committee**. If you are interested in becoming a member, please contact Cindy at ccollamore@wiscassetschools.org, and we will schedule meeting times based on everyone's schedule.

Friday, September 18 - Picture Day Group B

Tuesday, September 22 - Picture Day Group A

Remote students may come in to take their pictures from 8:00-11:00 am on both days.

Face Coverings

When dropping off your children or if you leave your vehicle to assist your child, please wear a face mask to protect yourself and those around you. We would appreciate your attention to this request.

Remote Learning

We have been working on getting the remote learning up and running. Some families have been having some issues with logging on. We would like to offer you the opportunity to receive some training with our teachers and our Technology Department. Please email Cindy in the office if you would like to attend a training. We are not taking attendance in the remote classes until all families are comfortable with the logging in for the remote learning. Please remember that you should not be recording the teacher's lessons. In the future, teachers may be recording lessons that you may use for your child but these are not available at this time.

Technology

All students in grades PreK-5 have 1-1 access to devices. Students are expected to travel to school with their CHARGED device every day they have in-person classes. We will continue to send the devices home and ask you to complete the appropriate green form.

****For students without internet access at home please contact Ms. Pooler dpooler@wiscassetschools.org immediately. A hotspot will be available for your use with the laptop.**

Transportation

Please slow down as you enter the school parking lot and drive around the back of the building! Classes are walking around the back to enter the cafeteria for breakfast and the traffic has been going much too fast. We want to keep all students and staff safe and would appreciate your assistance. Students can now be dropped off around 7:35 am since the traffic pattern has helped reduce congestion. Please follow student drop off signs and only drop off students at designated drop off areas. Students will be dismissed for buses at approximately 2:30 pm and students being picked up will be dismissed around 2:35 pm.

Meals

Breakfast and lunches will be provided at no cost for all students at this time. Students may remove masks during meals but must maintain a 6 ft distance from others. If you are interested in picking up meals for your child during remote days, you must preorder and a menu will be provided. You can contact Lorie Johnson at ljohnson@wiscassetschools.org. Meal pick up times are as follows and will be at the Front Main Doors of WES:

Group A - Pick up a 3 day meal pack (3 lunches and 3 breakfasts) on Wednesday mornings from 9:15-9:45 am.

Group B - Pick up a 3 day meal pack (3 lunches and 3 breakfasts) on Monday mornings from 9:15-9:45 am.

Exclusively Remote - Will follow the same schedule as above but can pick up both Monday and Wednesday. Monday pick up will be for 2 lunches and 2 breakfasts and Wednesday pick up will be for 3 lunches and 3 breakfasts.

Our priority is the safety, health and wellness of all students and staff. It is my sincere desire that each and every student participates and engages in the learning process successfully. We have had parents change their minds regarding remote learning and have chosen the hybrid model. We will allow for the change until Monday morning, September 21st at 8:00 am. This will enable us to place your child in a classroom, update transportation and update meal counts for food service. Again, thank you for your continued support during this very complicated time.

Welcome Back!

Your Principal,
Dr. Terry L. Wood
