- 4 Custom Linton School retractable "Let's Stay Healthy" Banners

DAILY PRACTICES TO SLOW THE SPREAD OF COVID AND TECHNOLOGY UPGRADES

- 1-Way traffic in all hallways with decals on floor to direct traffic and minimize mixing of students
- Limited hallway locker use during school day to promote safe social distancing
- Staged lunch protocols with assigned tables by grade, sanitation between shifts, and social distanced lunch lines and seating
- Zoned recesses to limit different grades/students contacting shared equipment during the same recess time
- Assigned seating on all bus routes, and extracurricular bus trips
- Assigned seating charts for all classrooms, and standard seating charts for all middle school and high school classrooms where applicable
- All classrooms in grades K-12 have 6 ft. spacing between desks
- Masks are recommended in classrooms/required in hallways and the multipurpose room
- Staff mask requirement when within 6 feet of students
- 100 new Microsoft Surface Go 2's to upgrade technology and prepare for possible distance learning due to COVID-19.
- Linton school is now 1:1 in grades 3-12
