Mr. Chris Cloud, School Board President

For immediate release

Dear RSD Community,

On Tuesday, September 15, the RSD Board of Education unanimously passed a vote to remove one of the two virtual options for K-8 students beginning the start of the second nine weeks.

The Board has plans to meet at a later date to discuss plans for 9-12 grade students.

The reason for this decision was two-folded: to provide more time for teachers to create a meaningful experience for in-class students and to create a meaningful experience for in-class students and to create a consistent model for virtual learners through the Lincoln Learning platform.

Sincerely,

Chris Cloud  
Russellville School District Board President
