PICTURE RETAKE DAY - October 7th

(The photographer will be here in the morning only)

Students who did not have their picture taken on Registration Day will have their picture taken on October 7th.

If your child had their picture taken on Registration Day and would like to have your child's picture retaken, please return the order envelope to the office.

School Club Meeting

School Club will hold their first meeting September 29th at 6:30 p.m. in the gym. All parents and staff are welcome to come share your ideas. Masks are required, and we will be attentive to social distancing.

Student Health

Please continue to be vigilant with regard to your children's health. Please symptom check and do not send your child to school if these symptoms are present: fever, sore throat, cough, shortness of breath, headache, muscle ache, nausea, or diarrhea. If you feel the need to give your child Tylenol or some other pain medication because the child is complaining, then you should not send the child to school.

Reek App

We use the Apptegy for emergency communication to parents. Please be sure to install this app on your phone. Go to the app store and search for Reek Elementary. Then install the free app. Dr. Polek will soon send a test communication, so here are some things to be aware of:

- Have Reek School set up as a contact on your phone.
- When Dr. Polek makes the emergency calls via Apptegy, you will hear a time of silence before the message begins. Please wait through a possible 3-7 seconds of silence to hear the message. You will know it is a message from Reek because you will see the contact show up – IF you have entered Reek as a contact in your phone.
