 1. Financial Update

 - 1.2 Tentative Budget Discussion – *Dr. Curry noted that the tentative budget was just that – “tentative.” He did present multiple scenarios that include reduced property tax receipts and reduced State Funding over the 20-21 school year. The budget currently shows projected Ed Fund deficits between \$200,000 and \$1,800,000 with all other funds ending in the black. Over the next 5 weeks, Dr. Curry will continue to work the budget for areas of savings. He also reminded the Board that any August or September Budget is a “best guess” and the Amended Budget in June will provide a truer picture of revenues and expenditures for the year.*
 2. Recognitions and Congratulations - *Dr. Curry shared a letter from TeachPlus that acknowledged the teacher-leader qualities portrayed by AAHS Science Teacher Nicole Vick over the summer. He celebrated the birth of Mrs. Katie Burgess’ child. He also acknowledged the work of the district’s IT department.*
 3. Coronavirus Update
 - 3.1 Return to Play Update/Modifications – *Dr. Curry noted that he received a call regarding allowing Students who chose Full Remote Learning as their preferred method in the Blended Model. Initially, this was not an option in the Blended Learning Plan. Dr. Curry noted that several area districts had the same policy and since a change in guidance from the State have changed their policy to allow such students the ability to compete.*
 4. CARES Act Update -
 5. District Planning Update

- 5.1 Middle School Roof - *Dr. Curry mentioned that the MS roof is still leaking and that he hoped a roof repair could be an action item in September.*
