**GIRLS:**

**8<sup>th</sup> Grade:**

Payton Wurtz	1 <sup>st</sup>	13:53
Isabelle Stuhlsatz	3 <sup>rd</sup>	15:30

**Comments:** We don't have large numbers in the Jr High this year, but we do have quality workers and they are seeing the results on race day. Isabelle already beat her best time from last year and Payton is nearing the times she was at by the end of the season last year. These girls will keep getting better because of the way they work and by next year will be helping out another strong High School Girls Team.
