

LAKESIDE JR. HIGH FOOTBALL
Visiting Team Info

All Football games will start at 6:00 pm unless otherwise decided ahead of time.
Please park your bus on the south side of the gymnasium on College St. (one-way street).
There will be an administrator there to direct you.

IF locker rooms are used:

1. Please instruct your players not to wear cleats into the building.
2. We also ask that opposing players, coaches, and other personnel do not go to any other part of the building.
3. Please stay in the locker room or right outside the door. This room is not very big and so it will be necessary for your players to be in there in shifts.
4. Finally, locker rooms will be cleaned/disinfected before you use the room.
5. No towels will be provided.
6. Water for players can be obtained in our old lunchroom kitchen. Please ask a coach or administration for help with this.
7. The pregame coin toss will be completed prior to the "official" warmup and there will not be a ceremony immediately before the game.
8. Temperature checks and masks will be required at the entry gate. Masks will also be required at the restrooms, concessions stands and in the bleachers. We also encourage social distancing when possible.
9. A concession stand with a slightly reduced menu will be available during the game. Our concession stand staff will be wearing PPE.
