

Daily Announcements

September 17, 2020

Good morning Mustangs!

Students, don't forget that if you are interested in applying for Student Council that applications need to be submitted by todaytoday. Applications can be found on your ECHO agenda from your ELA class. From there, applicants will be voted on per grade level early next week and will then be announced.

Students, please remember that bus riders must get on their bus here at MJHS at the end of the day. Students being picked up by a parent *may* meet their parent in the administration building or elementary parking lots if their parent is picking up a younger sibling. However, please walk in the cross walk behind the last bus to safely cross the parking lot.

Students: Please check the lost and found for anything you may be missing. Items will be donated at the end of the week.

Have a great day, Mustangs.

Please stand for the Pledge
