9/18/20

Parent(s)/Guardians,

Students (7-12) may choose to Distance Learn on in-class days IF they have a medical professional's request to quarantine. A parent or guardian must send a picture of the doctor's note to Mr. Flaten at Dustinf@nce.k12.mn.us before they can Distance Learn on in-class days. Students will be expected to return to school upon quarantine expiration.

Students are not able to Distance Learn on in-class days for reasons other than a need to quarantine.

If your child has been requested to quarantine, teachers will prepare needed supplies in a tote outside of the school building near the main doors. You will be responsible for picking up supplies at any time of the day. To protect the privacy of the student, you will be given a number for your tote.

Elementary Students (PreK-6) who have doctor's directive to quarantine will receive their schoolwork from their classroom teacher. Please send a picture of the doctor's request to Mr. Flaten at Dustinf@nce.k12.mn.us before communicating with the classroom teacher.

Students will be expected to return to school upon quarantine expiration. If schoolwork is not completed throughout the requested quarantine within handbook guidelines, the student will be counted as "absent" from school.

Thank you,

Dustin Flaten, Principal
