USD 268

Gating Criteria

USD 268 is committed to safe in-person learning. As a district, we continue to monitor the data from our local community as well as work in conjunction with KDHE and Sedgwick County Health. This data is reviewed on a daily basis and will help guide us in making decisions regarding if movement in our learning environment is warranted. We are fully prepared to adjust our category status if necessary and will communicate updates as situations change. Our current learning environment color will be posted on our website at <https://www.usd268.org/>

| | Green | Yellow | Orange | Red |
|--|-------------------|--------|--------|------------|
| 67025 Active Cases | 0% | | | >15% |
| USD 268 COVID Absenteeism % above baseline | 0% | | | >15% |
| Hospital Availability Rates | 30% | | | <10% |
