Principal's Notes *by Jeff Boston*

Welcome back RES parents and students to a new and very different school year! We have completed our first eight days of school and students are slowly becoming acclimated to the day-to-day routines, teacher expectations within the classrooms, wearing masks, and social distancing in our "new normal." Due to the social distancing guidelines, we will not be practicing fire drills but instead teachers will be reviewing the safety procedures for this drill in case of an emergency.

A BIG thank you to all our parents for adjusting to our new drop off and pick up protocols. Your patience and cooperation is greatly appreciated!

Our first Virtual Open House will be on September 28th (Monday) from 6:00-6:45 pm. Your child's teacher will be in contact with you next week about the agenda and zoom link. We look forward to seeing you on Zoom!

It has been a pleasure to see you all. By working together as a collective team, your child will have a positive and successful school year!

Due to the social distancing guidelines and safety protocols, school pictures at the elementary and middle school have been postponed for the time being. More information to follow.

Important School Nutrition Update

Beginning Thursday, September 17, RSU #38 will be operating under the Special Summer Lunch Program. This program will allow us to provide free meals to all students and is retroactive to the beginning of this school year. Any student who has been charged for a meal this year will be credited. The program will run through December 31 or until funding runs out, whichever comes first. If you have any questions please contact:
