

Lady Bulldogs

Basketball Players – 2020

I have been notified by my sales representative that shoe sales are really booming. In order to try to insure the get the shoes we need or want, I wanted to get this information out to you now. We are again going to be using Athletic Supply as we did last year. There will be on online portal as before. There will be a link posted below that will take you to the appropriate site to order shoes.

I want to **emphasize** that you do not have to purchase these shoes for your daughter. I really would like for my high school players to consider these as I feel it adds to team pride when we look alike. The high school choices are 2 different models of the same shoe (predominately white with red). One of them is a low top (\$72), the other mid (\$78). If I were putting my daughter in one of them it would be the mid for the additional ankle support but you may make your own decision on that.

The other shoe (\$65) is an option for JH. It is a red shoe, and not quite the quality of the others but still a very good shoe. You are not limited to this shoe as you may order one of the white/red shoes if you prefer.

These are Adidas shoes and are a quality shoe.

As last year they are men’s sizes (no shoe company makes women’s shoes for team sales) so order accordingly.

Thought this might help:

This table shows size conversions between women's and men's shoes. In most styles, the smallest men's size offered is 5.5:

Women	7	7.5	8	8.5	9	9.5	10	10.5	11
Men	5.5	6	6.5	7	7.5	8	8.5	9	9.5

Also, men’s size 4 is usually the smallest but those small sizes go quickly. If you need a small size I would encourage you to get it ordered soon.

Please see order flyer on next page. Scan the QR and you can open it in a web browser, or copy the url in the instructions.
