

# WEEKLY WARRIOR

*Calamus-Wheatland School District*

## From the Desk of Mrs. Kelting

The first four weeks of school have flown by and just like Mr. Luepker said in his note he sent out yesterday, it has definitely been an interesting start to the school year! We are glad to see so many positive things going on in and out of our building. All of these things would not be possible without our staff, teachers, students, parents and community members. Thank you for the support and compassion you have for our school district. Please continue these positive efforts.

In the elementary building, currently students in grade BK-6 are all taking part in FAST testing some way. This assessment has three components: reading, math and social emotional. Students are working with their classroom teachers along with Mrs. Gannon and Mrs. Willimack to complete these assessments.

It is hard to believe but the first quarter will be at the halfway point on Friday, September 25th. Please continue to check in on JMC to watch for your son/daughters progress. JMC holds student information along with grades, and lunch account information. Please feel free to contact the office if you are not sure of your login information. As always, please contact me with any questions! Have a nice weekend!!

## Title One Reading Night

The Title One reading night will be held via Zoom on Monday, September, 21st at 4pm. Mrs. Burke will be sending a zoom link out to the participants.

## Cal-Wheat Clover Kids

Interested in Cal-Wheat Clover Kids? Clover kids is a K-3<sup>rd</sup> grade group focusing on STEAM activities. Our first meeting will be 9/30 after school until 4:30 at the Calamus Park weather permitting. More information is available on the Cal-Wheat Clover Kids Facebook site. Please contact Andrea Engler at 563-370-0638 if you have questions.

## Spectators for Volleyball

Just a reminder, if you are attending volleyball games, students/kids should be sitting down, watching the games and NOT running around in the commons area or concession stand area. Please tell your students, a good time to visit the concession stand is in between sets or in between games. Thank you for your help in addressing this matter!

## School Pictures-Retakes

Picture retakes are currently scheduled for Friday, Oct. 16th.
