

# WISCASSET MIDDLE HIGH SCHOOL

272 Gardiner Road Wiscasset, ME 04578 (207) 882-7722

September 21, 2020

Greetings WMHS students and families,

Week 2 is now complete and our students are beginning to get in the rhythm of school once again. Remote, hybrid, and live learning are all happening and our students are rising to the expectations placed before them. Here are a few new important updates.

**NWEA Testing** is coming up for all students grades 6-10. Testing will begin for middle school students on Monday, September 28th and will be completed by Thursday, October 1st. Middle and High School students will be tested in the areas of English Language Arts. NWEA assessments give us important baseline data that will help us inform our instruction and guide us to understand students personal strengths and needs.

Attention parents: WMHS Staff are all available during Wednesday **office hours**. I have included the directory of emails with staff office hours below for your convenience. If you have any questions for your child's teacher, office hours are a great time to connect with them when they are available.

Reminder to ALL students and parents: **Wellness checks** should be conducted by every parent before your child comes to school. Parents can forward the completed wellness check to your child so they may show their phone before entering the building. If you are not getting the

wellness check emails please contact Ms. Cornish at [kcornish@wiscassetschools.org](mailto:kcornish@wiscassetschools.org) More and more students are showing their completed wellness checks each day as we complete this state requirement.

Our **High School Intramural Sports** program began last Monday, September 14, 2020. This program is still open to any High School Student that would like to participate in a skills based program. A late bus will be available to participating students at 3:30 P.M. Please let Mr. Cossette know if you are interested. The **Middle School Intramural Sports** program begins this Monday, September 21, 2020.

The 3:30 late bus is also available for students needing to stay for **Credit Recovery**. Arrangements need to be made in advance with individual teachers in order to stay for credit recovery.

Attention all Parents: Would you like to help guide and advise school administration in setting direction for WMHS? We would like to cordially invite you to participate on the **WMHS Parent Advisory Council**. If you are interested in making this monthly 1 hour meeting commitment and would like to join us please contact Mr. Lomonte at [clomonte@wiscassetschools.org](mailto:clomonte@wiscassetschools.org) space is limited.

Thank you for your continued support.

Charles Lomonte  
Principal, WMHS
