High School Students: Please bring your Chromebook to CCR. You should've received an email from Parchment this morning. You will need this in your CCR class today. If you did not receive an email you may have already set up an account to request transcripts.

SENIORS: Today is the start of **COLLEGE GO! WEEK** through the State of Indiana. Many Indiana colleges and universities will participate. This is GREAT news since participating colleges will waive their application fee. For a list of **FREE COLLEGE APPLICATIONS**, look on the Student Services bulletin board. Or see YORDY. Definitely take advantage!!!

SENIORS: Also note that we have received two new scholarships. You will find them in THE BIN in Student Services. They include a list of 15 scholarships from studentscholarships.org (from \$500 to \$30,000); and Epsilon Sigma Alpha Foundation (deadline Feb 1).

HIGH SCHOOL: There are many new posters on the Student Services bulletin board. They include IU Fort Wayne, Indiana Wesleyan University, Goshen College, IU Bloomington, IU South Bend and Louie's Tux Shop Model Search 2021. We also invite you to join the Elkhart County College Fair at Goshen High School on the evening of SEPT 28.

Take your things for the first period and any homework that you might have. This time should be quiet and keep yourselves busy. You may read if you wish.

Juniors and HS Student Council members make sure to get out there and sell for the Soap Fundraiser. It is due Friday.

Reminders:

SOPHOMORES: Please bring your \$2 class dues to Mrs. Klaassen in Student Services.

TRINE DUAL CREDIT STUDENTS: Here are a few facts regarding your tuition fees. Bills will be mailed out physically on SEPT 14. Deadline for payment is SEPT 30. Remember, we can help you if you are Free and Reduced Lunch. See YORDY if you have questions!!

Juniors and Seniors: Even in the middle of COVID-19, we will host college admission counselors here at Westview. This is a FANTASTIC way to learn about a college campus, its culture and its majors. To date, we have five institutions coming to visit:

U of Indianapolis (SEPT 28);
Goshen College (SEPT 30); and
Grace College (OCT 28).
