Index times salary for 190-day teacher (with same education & experience) equals additional compensation over and above teacher pay.

Total Salary Equals (1 + Index) x Teacher Salary for 190 days

* These stipends have been in effect since the 2006-2007 school year and were a response to Act 25 of 2006. Once the employee(s) receiving the stipend leaves their current position, payment of the stipend to the employee will end.
