1 HEALTH AND SAFETY

Three of the most important mitigating measures we can take are:

- wear face coverings
- socially distance
- consistently wash our hands

All staff and students will be expected to wear a protective face covering or face mask that completely covers the nose and mouth when inside the school building and throughout the day.

Preparing to Come to School

- Morning health check at home
- Wear a face mask (bring extra masks from home in a plastic bag)
- Bring a water bottle from home - school filling stations will be available, school water fountains will not be available
- Bring only what you need for the day in your backpack. There will be no lockers for storage.
- Bring your school issued Chromebook each day
- Make sure you are wearing your new school issued badge at all times (new requirement)

Mitigation Measures at School

- Appropriate masks or cloth face coverings throughout the day
- Frequent opportunities to wash hands
- Social distancing whenever possible
- Practice cough / respiratory etiquette (turn away from others, cough into elbow)
- Structured arrival and dismissal
- Hall traffic patterns to assist social distancing efforts: signs and directional arrows will be displayed
- Only bottle filling stations will be available for students.
- Lockers will NOT be used
- Materials will not be shared where possible
- Visitors will be restricted: only necessary personnel will be allowed inside the building
- Frequent cleaning and disinfecting
- Less transitions during the school day
- No large gatherings of students

Containment

- Use of cohorts
- Protocols when students or staff show symptoms

2 REOPENING PROCEDURES

ARRIVAL AT SCHOOL

**** Students will be permitted in the building no earlier than 7:30am****

Arriving for Class

- All students should be wearing a mask as they enter the building.
- Do not report to a locker or the Student Center.
- If you are not eating breakfast you must go directly to your first period of the day. Class will not begin until 8:00am.
- If you are grabbing free breakfast upon entering BHS, or if you're bringing breakfast into the building, you must proceed directly to the following areas. There will be a grab and go kiosk at each entry point.
 - Freshman Small gym
 - Sophomores AUD
 - Juniors Student Center B
 - Seniors Student Center A
- Students will report to their first period class as soon as they have finished their breakfast. No extended socializing can be permitted.

Bus Students

- Buses will arrive at the back of the building and unload at both the ramp and East Gym lobby entrances.
- Only one bus per entrance will unload at a time.
- Students should have their masks on as they exit the bus.

Parent Drop-Off

- Parents may drop students off at the front entrance as in the past; students will enter through the Main Entrance.
- Students should have their masks on as they leave their vehicle.

Students Who Drive to School

- Students will park in A Lot
- Students should have their masks on as they leave their vehicle.
- Students will enter through the E-Wing entrance

Staff Supervision

- We will work together to establish and maintain a culture of safety.
- Staff will be at the front, back, and side entrances of the building in order to ensure that appropriate distancing is taking place and that masks are being worn properly.
- Students will move directly to their Period 1 class.
- Teachers will monitor hallways and move students along who are wandering or attempting to mingle.

Additional Notes

- If a student comes to school not wearing a mask, a staff member wearing a mask will meet the student outside the building to provide them with a mask before they enter the building
- All Juniors and Seniors will be eligible for the late arrival privilege. This would allow them to arrive at school at the beginning of a daily homeroom if they have a study hall Period 1.
 - **Students who arrive in this manner should wait until the warning bell to enter the building so they can go directly to their next class. (9:15)**

DISMISSAL FROM SCHOOL

- Students will be called by bus number starting at 2:15 to be completed by 2:25.
 - Students who take the bus home will be dismissed first, followed by the students who drive to school and/or are getting picked up by an adult, walkers, and bikers.
- Bus information will be relayed to the office so that students will be called accordingly by office staff.
- All students must exit the building after being called. Please do not congregate in common areas waiting for other classmates to be dismissed.
- All Juniors and Seniors will be eligible for an early dismissal privilege. They will be allowed to leave school Periods 4 and 8 if they have a study hall. Students leaving school early should leave immediately, exiting via the Main Office door.

Additional Notes:

- Staff will be monitoring a staggered departure to ensure proper social distancing guidelines are being followed.
- Staff will be located in both the front and back of the school.

ATTENDANCE

- In the distance model for learning, students are expected to be present and engage live during each class period.
- In the hybrid model for learning, students are expected to report to school on their scheduled cohort day (blue or orange).
- Students in the cohort not assigned to be in school that day are expected to be present and engage live in distance learning from home each class period.
- In both distance and the hybrid model, attendance will be taken for each class period.
- In a distance learning model, if a student does not attend or engage in learning for that period, the teacher will mark the student absent.
- Any change in a student status (legal absence(LAB), unverified absence(UNV), present) can only be changed by the BHS attendance secretary with a note from a parent/guardian.
- A student that is scheduled to be in the building, and is not able to attend on their scheduled day but engages and interacts live in their class from home, can be marked as present, if the BHS attendance office receives a completed absenteeism form from a parent/guardian.
- All forms or questions regarding attendance taking procedure should be directed to the BHS Attendance office:

IN-BUILDING PROTOCOLS

Classroom Protocols

- Teachers, co-teachers, and paraprofessionals will follow all mask, social distancing, and exposure guidelines when working with each other and students.
- When possible, material/assignments will be shared via Google Classroom.
- If a student is requesting to leave the classroom for any reason, other than to use the bathrooms, the teacher must call the specific location requested to determine next steps.
- **Behavioral/Discipline needs:** If a staff member is having difficulty with a student, the staff member will call the main office for administration or student support staff member to go to the room and escort the student to the appropriate location. If a student leaves on their own, the staff member must call the office immediately to inform administration or their designee about the situation.

Bathroom use

- All bathrooms in BHS will be open.
- Bathrooms will be locked and not available during passing time.
