AimsWeb+ Assessment Plan

Dear 1st Grade Families,

We appreciate your flexibility during this E-Learning time. While we initially tried to develop a plan for in-person assessment, we were presented with some challenges that prevented us from doing so. Since our last communication, we have worked to develop an alternative plan. We will be scheduling your student for a virtual session for the AimsWeb+ literacy assessments. These assessments will be taken independently and provide us with information to best meet your child's literacy needs. The virtual session will be approximately 45 minutes in length and be scheduled for you in advance. The dates for AimsWeb+ literacy assessments will be as follows:

Steele Elementary School

- Thursday, September 24th
- Friday, September 25th

King Elementary School

- Thursday, September 24th and Friday, September 25th for Ms. Vogel's Class
- The remainder of King School 1st Grades, Assessed on:
 - Monday, September 28th
 - Tuesday, September 29th

Silas Willard Elementary School

- Wednesday, September 30th
- Friday, October 2nd

Your child will be provided with an assigned virtual session time to take the AimsWeb+ literacy assessment. The date and time of your child's AimsWeb+ virtual session will be provided to you by Tuesday, September 22nd, along with the Google Meet link to join the virtual session. If this designated time will absolutely not work for your student, please reach out to your child's classroom teacher as soon as possible. We created a workable schedule to assess all of our district's 1st graders during these scheduled days.

Thank you,

Mrs. Tiffany M. Springer

Director of Curriculum and Instruction
