**REACH Georgia** is the State of Georgia's first needs-based mentorship and college scholarship program. The mission is to ensure that Georgia's academically promising students have the academic, social, and financial support needed to graduate from high school, Access College, and achieve postsecondary success. Beginning in the 8<sup>th</sup> grade and through high school, REACH Scholars are paired with a mentor and an academic coach. Scholars must maintain good grades (2.5 GPA), behavior and attendance. Scholars who successfully complete the program and graduate from high school are awarded a \$10,000 scholarship (\$2,500/year) that can be used at a University System of Georgia, Technical College System of Georgia, or eligible private postsecondary institution. The scholarship is in addition to any other grant or scholarship the student receives.
