### **How do I access Professional Learning Session?**

Please select **Join Microsoft Teams Meeting Link** on your meeting invitation above. If you have the Teams application installed, it will ask you if you would like to open the meeting using your Microsoft Teams application. If you do not, by clicking that link you will be taken to a web page where you can choose to either join on the web or download the desktop application.

Select **Continue on this browser** (*No download or installation required*). **\*Downloading the application is not required to join a Microsoft Teams meeting.**

***Attached, please find a video demonstration for additional support.***

### **Accessing Meeting through Web Browser:**

If you are joining us through the web browser ***please use one of the following fully supported web browsers; Google Chrome or Microsoft Edge.*** Once you join the meeting, you will be placed in the lobby until the meeting organizer admits you.
