

United CUSD 304 - Transition Plan to 4 Day In Person Learning

Starting Monday September 28, 2020

Students have the opportunity to attend school in a 4 day in person environment - Monday, Tuesday, Thursday, Friday. Remote content will still be a part of in person learning. Wednesdays will continue to be full remote learning days. Expectations for those days do not change with this schedule change.

Each of the 4 days will dismiss at 12:30 PM

Lunch will be sent home with students each day - 2 lunches will come home on Tuesday to account for Wednesday's lunch. Snacks will be provided during the morning on a rotating schedule following strict safety guidelines.

Parents can opt for full remote if they choose not to attend 4 days. Please contact your attendance center by Friday October 9th to relay that information.

Bus routes will be more in line with previous years. Expect your route to start earlier due to picking up all/more students now as opposed to the routes we had in the hybrid. Morning shuttles will continue to leave attendance centers at 7:30 AM.

Monday October 12, 2020 is Columbus Day and will NOT be a day of attendance.

The quarter still ends on Friday October 16, 2020.

First quarter full remote students may return to in person learning on Monday October 19, 2020. A building rep will contact you to determine your decision for the quarter. A decision must be reached by Friday October 9th.

Those that choose full remote for the 2nd quarter grading period will choose so for the remainder of the semester despite any further changes to our in-person schedule.

Temperature checks and symptom checks will continue as they have been.

Meals for FULL Remote Students ONLY - will be pick up on Wednesdays from 4-6 PM.

Parent/Teacher conferences will be done remotely this year on Thursday October 8 and Friday October 9. Please contact the Jr-Sr High School to schedule you appointments. Elementary parents should contact their teacher directly to schedule a conference time.
